

COVID-19 REOPENING PROCEDURES

As always, the safety of our students is top priority.
(Revised 9/15/2021)

PLEASE NOTE: All classes will be offered both in person and online.

A COVID-19 waiver must be signed by a parent or guardian prior to a student participating in an in-studio class.

- Each student's temperature will be taken before class with a contactless thermometer and recorded. Any student with a temperature of 100.4 or above will sent home immediately.
 - Please keep your child home if they are experiencing any symptoms of illness, such as cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, headache, sore throat, or new loss of taste or smell, or if your child has had close contact with any person diagnosed with COVID-19.
- Please be sure to have your dancer bring their own water bottle from home.
- Use of masks will be left to the discretion of each individual and their family.
- Staff will clean high-touch areas on a regular basis.
- Ballet barres will be cleaned between each class.
- We encourage all our parents to drop off their dancer(s) and then return at the appropriate pick-up time. If you feel it is in your child's best interest for you to stay in the building, then we will honor your decision.

Thank you for your cooperation and support!
